

To download Mozilla Firefox for your personal computer, please follow the steps below:

If you do not have Mozilla Firefox installed as an Internet web browser on your personal computer, the CCCC website provides a free link to download a version of this software, which is a web browser that is often more compatible with Blackboard than Internet Explorer. As a distance student, using Blackboard is a must and Mozilla Firefox may make it easier for you to get online and stay online.

In your web browser (like Internet Explorer)...

1. Navigate to the DE website by typing “www.cccc.edu/de” (all lowercase, no quotes, no underline) in the web address box.
2. On the right side of the screen, click the “Get Firefox” button.

Distance Education

Welcome to Central Carolina Community College's Distance Education Program! The Distance Education Department works with faculty and other CCCC staff to ensure that your experience with distance education is a successful one. We hope that your distance education experience moves you closer to achieving your educational goals. You will find that these courses demand time, organization, persistence, and self direction.

Blackboard will undergo routine maintenance each Friday from 3:00-5:00am. Also, please note that Blackboard will be performing proactive maintenance on the server on August 2 from 1:00-9:00am. Users will experience inactivity while using the Blackboard server during those eight hours.

4. Follow the steps provided by Firefox for installing the download. The instruction screen looks like this:

Just follow these easy steps to get started:

Your download should automatically begin in a few seconds, but if not, [click here](#).

Start the process by clicking Save File.

Give permission to launch the setup wizard by clicking Continue after the file has downloaded.

You may need to restart your computer after installing Mozilla Firefox.

If you have any other questions about downloading Mozilla Firefox, please contact the Distance Education staff at CCCC via email at destaff@ccc.edu.
