Student Employee of the
Month

Effective Immediately

The Department of Education recently updated the guidance regarding privacy and security responsibilities with our students, faculty and staff, and third party campus partners

As a result, the Financial Aid Office can no longer accept student IDs as a form of identification. You *must* present an unexpired government issued identification (i.e. state issued picture ID, Driver's License, etc.) to confirm your identity when inquiring about your financial aid.

Student Employee of the Month

Cameron Kelly

"This position (my first real job) has helped me grow enormously as a person, as I've gained new social and time management skills, and have made many new friends. My day duties consist of captioning Professional Development videos for ADA compliance and perform other necessary duties in the Center for Academic Excellence."
