## **NEW YEAR, NEW CHANCES**

*Jairo McMichan, Dean of Student Learning*

You can't change where you started, but you can change the direction you are going. It's not what you are going to do, but it's what you are doing now that counts. If it's clear you can't achieve your goals, don't change your goals-change your actions. If you really want to accomplish something, you will. Whether you think you can or think you can't, you're right!
