CENTRAL CAROLINA COMMUNITY COLLEGE

RESIDENCE TUITION and STATUS APPLICATION v0912 (BLUE form)

Under North Carolina law, a person may qualify as a North Carolina resident for tuition purposes, thereby being eligible for a tuition rate lower than that for nonresidents. Copies of the applicable law and of implementing regulations are available for inspection in the Student Development Center and may be examined upon request. In essence, the controlling NC statute (G.S. 116-143.1) requires that, "To qualify as residents for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least 12 months immediately prior to his or her classification as a resident for tuition purposes."
