### ***2020SP Graduation***

- Graduation will be Monday, May 18<sup>th</sup>. Graduation will be held at the Civic Center again.
- Graduation applications are due March 20<sup>th</sup> – 73 have been received to date.
- We will again be selecting student speakers to represent the college at each of the ceremonies.

### ***Personnel Changes***

- In September, Rachel Higgins' husband transferred to Pennsylvania and she moved with him in early October. Interviews and offers were made to two candidates who took other positions. A third round of interviews was held and the position was filled by Jessica Fink who returned to work in the Records Office from HR on January 21<sup>st</sup>. Due to Jessica's previous years in the Records Office, the months of training typically required for new hires will not be needed.

## ***Financial Aid***

Number of FAFSAs received: 5,063

Amount of Federal and State aid: \$19,339,655

Number of Federal and State Award recipients: 2,915

Overall amount of aid awarded to students, including scholarships and outside aid: \$25,202,455

Men's Basketball- We are now 7-13 overall and 2-2 in conference play. We had a few big wins over Division 2 teams Vance-Granville CC and Wake Tech CC early in the year but injuries have been a big issue throughout this season. Our leading returner and the Region X Player of the year from last year recently went down with an Achilles injury and had to have season ending surgery. We have 4 home games left; Jan 27th, Feb 8th, Feb 13th(Sophomore Night) and Feb 18th. Coach McDougald has been out recruiting hard and will begin signing players as soon as next month. The team will travel to play the UNC JV team in the Dean Dome on February 15th. The conference tournament will be held at Sandhills CC on February 22-23

Cross Country- They had a much improved season this year. The men finished second at regionals and our top woman, Anna Trotter, won regionals individually. We had two runners represent us well at the National Championship in Springfield, MA. The hope is to carry a full men's and women's team to Nationals next season.

Coach Briggs has been out recruiting hard and we have been very impressed with his success of getting potential athletes to campus. He has signed a few male and females to join his group of returners but he still has several top recruits that are still deciding what they plan to do. He will have a full men and women's roster and is on track to have our best season yet.

Golf- We finished up the fall season in early November and hope to build on a successful start to the spring season. We have begun practicing for the semester and are excited to start competition. We will be hosting a tournament at Quail Ridge GC on March 29-30 for the other Region X teams. The entire team is made up of Freshman this year so I am excited to see what this group can do over the next two seasons and plan to add more players this offseason.

Volleyball- The team finished 5-19 overall and 4th of 6 teams in Region 10 division 3. Taylor Rosser was named the second team All Region. Coach Carter has signed 2 local players to come play at CCCC and is still out recruiting to fill his last few roster spots. Coach Carter is very excited about the potential of this team with 6 returners and some very talented signees coming in. They will begin some offseason practices in February.

Women's Basketball- Coach Webster has been out recruiting hard and is confident that he will have a full roster in the fall. He has signed 2 players so far, with a few more to sign within the next few weeks. We plan to play around 20-22 games in the first year and hope to build from there.

## General Athletics-

We have been working to raise money so that we can make some much needed improvements to our gym and the activity bus that is used for travel. We are still in the process of deciding on what we want to do with the gym floor this summer. The NJCAA moved the 3 point line back in order to stay the same as NCAA rules, so we will have to make those changes this summer. Our hope is to replace our floor, which is 20+ years old and is beginning to deteriorate. If we are able to replace the floor entirely we plan to lengthen the court so that it is regulation and we would be eligible to host postseason games/tournaments. If we cannot find the funds to do that project we will have to have someone to come in and paint the new three point lines on the existing floor.

We had 19 athletes(43% of all athletes) that were nominated for All-Region Academic Honors. The requirements for that were to have passed at least 12 hours with a 3.0 during the fall semester. Cross Country, Golf and volleyball all had a team GPA of over 3.0.

We plan to have our summer basketball and volleyball camps again this year. We are waiting to see what the plans are for the gym floor before announcing the dates for the camps. We have had several other fundraisers throughout the year and continue to look for fundraising opportunities.

The Athletic Banquet is set for April 23rd at the Civic Center.

All schedules and roster information is updated on the athletics website.
