slate

DID YOU KNOW...

June, 2024

This newsletter will keep you updated on the latest in Slate and help you rediscover forgotten features.

STAY IN THE KNOW

Two new newsletters have launched! Stay informed about college events for students and get the latest updates on Slate.
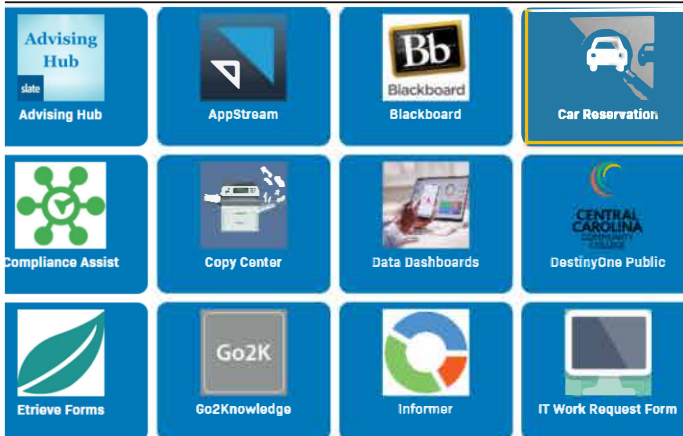

For instance, were you aware that the Application Hub and Success Hub have merged? Now students can conveniently access all their information in one place.

MANAGE YOUR COMMS

Loving the new updates? Great! Nothing to do.

Prefer not to receive the student newsletter?

Manage your communications through the advising hub.

Advising Hub | AppStream | Blackboard | Car Reservation
Compliance Assist | Copy Center | Data Dashboards | DestinyOne Public
Etrieve Forms | Go2Knowledge | Informer | IT Work Request Form

CAR RESERVATION

Car reservations are now in Slate! What does that mean-- a simpler process to reserve a car. Simply go to the CCCC portal and click "Car Reservation".

IN CASE YOU MISSED IT...

FORMS/PROCESSES

Several student processes have been moved to slate. These include:

- Change of Program
- Graduation Application
- Withdrawal Form

...and more! Students access these forms from their Success Hub.

Helpful Forms/Processes

Limited Enrollment Application

Interested in applying to one of our Limited Enrollment Programs? Be sure to to apply, use the link above.

Graduation Application   (Applications are due by June 20)

The graduation application can be used to apply to graduate from one or more your Faculty Advisor and sent on to the Student Records & Registrar's Office.

Ombuds: Your Student Advocate

EASILY EMAIL IN SLATE

You can send emails to all or some of your advisees through your Advising Hub or Education Navigator Hub. You will be copied on these messages and can verify receipt in the student timeline!

CHAT BOT

The chatbot is not only on the CCCC website but is now also on the Student success Hub!

SLATE TRAINING

Still not sure how best to use Slate? The Slate training page has gotten an upgrade! View "How-To" documents by role. Interested in digging in more? Utilize some of the Knowledge Base articles and videos Updates and additions will continue to be made.
