NEWS FROM THE LIBRARY

Welcome!

Welcome new and returning students to the 2024 summer semester at Central Carolina Community College! This summer is sure to fly by so we want to make sure you're on the path to success. Our library is more than just a collection of books; it's a dynamic hub where students come together to learn, connect, and grow. From Dogwood Digital ebooks to our engaging summer reading challenge, and convenient interlibrary loans and technology checkouts, there's something here for everyone!

As always, librarians will be available throughout the year to assist you with research for your papers and classwork. Stop by your local CCCC campus to speak with a librarian today or schedule an <u>appointment</u> at a time that works best for you.

Summer Reading Challenge

The CCCC Library challenges you to read as much as you can! <u>Set a goal</u> for how many books you think you can read this summer. Keep track of all the titles and submit them via an upcoming Google Form. Those who meet their goal will receive a book of their choice (up to $15) as a prize! **This event is open to registered students, faculty, and staff.** How many books do you think you'll finish by then?

Dogwood Digital

The CCCC Library has expanded access to eBooks and audio books through Dogwood Digital, available through Libby! Dogwood Digital has a constantly-growing collection of academic and leisure titles.

Just visit <u>Dogwood Digital </u>to get started. Click 'Sign In With My Card', select 'Central Carolina Community College', and then sign in with your Portal account! It's that simple!
