Services

# BARBERING

## ABOUT THE PROGRAM

The program will focus on hair care, shampooing, cutting and styling, along with instructional components in shaving, beard and mustache trimming and cutting, facial massage, hair treatments, hygiene and professional ethics. Advanced classes will cover coloring, hairpieces, and scalp treatments. Course work includes instruction in all phases of professional barbering, hair design, chemical processes, skin care, nail care, multi-cultural practices, business/computer principles, product knowledge and other selected topics. Graduates are prepared to sit for the NC Board of Barbering examination.

## CCCC Career Community

Students interested in Professional Services like to use their creativity to help people. They are outgoing and love working one-on-one with a wide variety of people. They can work in groups or teams but prefer to work independently. They are detail-oriented, empathetic, and artistic. Graduates find jobs in helping professions like teaching, mental health, cosmetic arts, and culinary arts.
