Student: I understand I am required to successfully complete all courses within my program of study under the catalog in which I am enrolled; that I must meet with my advisor to evaluate my degree audit; that I must submit my application to the Records Office with my evaluation by the application deadline; that any outstanding financial obligation must be paid and any school property must be returned before I will be allowed to graduate; and that I must pay all graduation fees if I am participating in the ceremony. **I understand that walking across the stage for the commencement ceremony does not mean I have "graduated."** I must complete all program requirements by the end of the completion term I have indicated above prior to receiving my credential and to show my credential on my transcript. If I do not participate in the ceremony, my credential will be mailed to the address I have on file in my student record.
