

Schedule Chart and Common Questions

What is a pre-requisite? A pre-requisite is a course you must satisfactorily complete before enrolling in an advanced course. It is helpful if you view the schedule on WebAdvisor before you come in to register. You can drill down for course descriptions and pre-requisite information. If you search for sections as a “Guest User”, you will not need to login.

Will I get an “F” if I withdraw from a course? You may drop a class and receive a “W” on your transcript (will not affect your grade point average) if you withdraw by the deadline date which is usually within twelve weeks for fall or spring semesters and within seven weeks for summer term. NOTE: No refunds will be given without completing a drop form and no refunds will be given after the 10% date.

When is the earliest I can register for next term? If you are enrolled in fall semester, you will see your advisor in mid-November to enroll in upcoming spring classes. If you are enrolled in spring semester, you will see your advisor in mid-April to register for upcoming summer and/or fall classes. Every student is assigned an advisor....usually an instructor in your curriculum.
